

**MODELING & DESIGN
OF MOLECULAR MATERIALS 2010**
WROCLAW, JULY 4-8, 2010

PRACTICAL GUIDE & INFORMATION
CONFERENCE WEB SITE: <http://mdmm.pl/2010/>

Wrocław
University
of Technology

GETTING TO THE CONFERENCE AREA

The conference is being held at **Wrocław University of Technology** (www.pwr.wroc.pl) in Lower Silesia, Poland. The conference venue, **D-20 building**, (room 10d on the right side of the entrance) is situated at the edge of the university campus, at *Janiszewskiego 8* close to *Grunwaldzki Square (Plac Grunwaldzki – Rondo Reagana)*.

Wrocław Copernicus Airport (WRO) services regular flights from Warsaw, Barcelona, Bologna, Frankfurt, Milan, Munich, etc. (see flight timetable: <http://www.airport.wroclaw.pl/en/>). For further flights, Warsaw, Munich, or Frankfurt are usually the best choices for connections. Ignore taxi drivers in front of the airport entrance and head smartly out of terminal area and take Taxi Blues, Taxi Plus or Partner Taxis which can take you to the city center for about 50 złoty or 15 EU. Bus number 406 (2.40 zł) links airport with Main Railroad Station – further connections are described below.

Polish Railways offer regular train connections to many major European cities. Refer to the online timetables and route planner in order to search for connections (see train timetable: <http://rozklad.sitkol.pl/bin/query.exe/en>). Please note that the **main building of “Wrocław Główny” station is under major reconstruction**, so the entrance to platforms is located on its east side (**Dworzec Tymczasowy/Temporary Railway Station**). Those arriving at **Wrocław Bus Station** should walk through the tunnel next to the nearby Temporary Railway Station (across the street) and use the appropriate tram/bus connections. Tram lines ‘9’ and ‘17’ going north can take you directly to ‘Ołówek’ (‘Bujwida’ stop) whereas tram line ‘2’ may bring you to *Plac Grunwaldzki (Rondo Reagana)*.

The most convenient connections between “Wrocław Główny” Railway Station or the airport and **Student House Ołówek, Hotel ZNP** and **the conference venue** are shown on maps included in the conference website <https://www.mdmm.pl/2010/tips.html>. Tickets can be purchased at newsagents and in most stores - **a single ride costs 2.40 złoty**¹ in trams and buses denoted with numerals and **2.80 złoty** at night or express buses (denoted with numbers from 240 to 259 or letters). This tickets are valid for one ride only².

The fare for a taxi ride from the airport to all our hotels is about 50 złoty, and doubles during the night. Remember that it takes about 30 minutes to get there (more during rush hours), and that it is always a good idea to ask about the price before accepting a taxi ride. **To avoid fraud, it is recommended to ask for an invoice.**

ARRIVAL AND ON-SITE REGISTRATION

Upon arrival, participants should check-in at the registration desk in **D-20 building**, sign the attendance list, and collect their badges and conference materials. The registration desk will be located at the cloak room in D-20 building (Sunday 2-9 PM and Monday 8-10 AM). Later, the registration desk will be opened half an hour before first morning session and during coffee breaks.

¹ Polish students, PhD students (if they have an appropriate student identity card) and foreign students (if they have the *International Student Identity Card* or *International Youth Travel Card – GO25*) can buy half-price ticket which is 1.20 złoty.

² It is possible to buy also other tickets, such as temporary - for seven days (26-30 złoty), for 72 hours (24 złoty), 48 hours (18 złoty) and 24 hours (8-10 złoty). All these tickets can also be purchased as half-price tickets (13-15, 12, 9 or 4-5 złoty, respectively).

ACCOMMODATION & MEALS

Most of the conference participants will be accommodated in one of the following hotels:

- **Student House 'Ołówek'** (5-10 minutes walking distance from D-20 building) at *Plac Grunwaldzki 30*; tel. +48-71-3283212, +48-71-3283159 or +48-71-328-32-12-505; guarded parking lot (20 zł/day) located behind 'Kredka' Student House (next to 'Ołówek')
- **ZNP Hotel** (5 minutes walking distance from D-20 building) at *Nauczycielska 2*; tel. +48-71-3280141.

Aside from the welcome snack on Sunday, July 4-th, the reception on Wednesday, July 7-th, evening and the coffee breaks, meals are not included in the conference fee.

Several snack-bars and cafeterias are located in the neighbourhood of the conference area.

Before 9 AM only the following locations are open:

- student cafeteria in the basement of A-4 building (recommended) – pass through A-3 building at *Smoluchowskiego 23* to the yard and once you see prof. Dionizy Smolenski monument, you will also be able to locate the A-4 side entrance 'Stara Kotłownia'
- Starbucks (near 'Grunwaldzki Center' main entrance)
- McDonalds (behind 'Ołówek'),
- bar at BP gas station (in front of 'Ołówek'),
- 1-Minute convenience store (north side of 'Grunwaldzki Center').

During lunch time there is a much bigger choice including Cynamon Bar with entrance from Norwida Street (pasta & pizza & salads sold by weight - recommended for budget oriented participants), Pizza Hut near *Szczytnicka Street* and several restaurants at the top level of nearby 'Pasaż Grunwaldzki' shopping mall (SPHINX, WOOK, 77SUSHI, etc).

For dinner, multitude of restaurants and beer gardens located in the picturesque Market Place area (Rynek) are recommended. Refer to the maps for detailed information and directions.

CONFERENCE FACILITIES & SERVICES

Internet: WiFi access is provided in D-20 building. Internet Café is located across the street. **Telephone access:** There are telephone booths near D-20 building close to the registration desk. To make an international call, dial "00", followed by the code of the country you are calling. International calling cards (Tele-Świat, Tele-PIN, Grosik, etc.) can be purchased in the newsagent stand across conference venue.

CONTRIBUTIONS AND CONFERENCE PROGRAM

Lectures

The program of the conference can be found on the conference website and in the book of abstracts. Lecturers (especially those travelling from overseas) - please try to upload the file with your presentation in advance, using our webpage form in the same way as for abstract files (when the file size exceeds 4 MB please notify us in advance via mdmm@mdmm.pl). Nevertheless, please bring a copy on CD and/or pendrive as well. All presentations should be transferred to our technical personnel headed by dr Paweł Kędzierski at least 2 hours before the scheduled lecture time, and preferably on the previous day.

Poster presentations

Metal poster boards (90 cm wide, 120 cm tall) will be available from Sunday, July 4-th for poster session A and from Tuesday, July 6-th, 11 AM for poster session B. Posters have to

be removed by 11 AM the next morning. A contest for the best posters presented by undergraduate and graduate students is being planned. The jurors will be asked to deposit their questionnaires before Wednesday, July 7-th, 9 AM in a box at the registration desk.

Conference proceedings

Refereed conference proceedings will be published in the **Journal of Molecular Modeling** (JCR 2009 Impact Factor 2.336). In order to submit an article to the special issue, upload the electronic version of the manuscript by September 15-th via the Editorial Manager <http://www.editorialmanager.com/jmm/> with the note "MDMM 2010 Special Issue".
